

Vision:

To contribute to the social, economic and environmental development of the communities in which we operate.

Purpose:

We endeavor to contribute to well-being of society by making a measurable and positive difference, through the following causes:

1. eradicating hunger, poverty and malnutrition, promoting preventive health care and sanitation and making available safe drinking water;
2. promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects;
3. promoting gender equality, empowering women
4. ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water;
5. promotion and development of traditional arts and handicrafts
6. supporting regions/victims affected from sudden natural disasters, such as floods, earthquake etc.

Projects

We shall strive to undertake the following projects/programmes to achieve the “Purpose” as above:

1. Holding programs/activities/awareness drives for:
 - a. health care including preventive health care/eradication of diseases
 - b. regular health check-ups for promoting healthy lifestyle
 - c. blood/organ donation
 - d. environmental protection
 - e. promoting donations for needy/natural disaster affected victims
2. Livelihood enhancement opportunities for women empowerment and to promote gender equality and to empower differently abled
3. Partnering with government and other agencies for awareness of traffic rules and to promote road safety
4. Swachh Bharat Abhiyan by undertaking cleanliness drives

Location of CSR Activities and Target communities:

Our focus will be geographies in which we operate with target communities being children, women, youth and affirmative action communities.

Implementation of CSR

Our CSR Team will implement our CSR activities by undertaking projects/programs (with the support of specialized agencies/organizations, where required). The projects/programs may also be undertaken in collaboration with non-profit organizations.
